SUMMARY

Final-year IT undergraduate and aspiring UI/UX Designer & Frontend Developer Intern passionate about building intuitive, user-centered digital products. Skilled in Figma, React, and Tailwind, with hands-on experience in impactful redesigns. Eager to apply creativity, problem-solving, and collaboration to deliver meaningful user experiences.

TECHNICAL SKILLS

- **Design Tools :** Figma, Notion, Miro, FigJam, Canva, Illustrator
- **Design(UI/UX) :** Wireframing, Prototyping, UI Design, User Flows, Design Systems, Usability Testing
- **Frontend Development :** React, JavaScript, HTML5, CSS3, Tailwind CSS, Vite, Framer Motion
- **Backend & Databases:** Node.js, Spring Boot, REST APIs, MongoDB, SQL, JWT Authentication
- **Languages:** Java, Python, JavaScript
- **Other:** Github, Jira, AWS,

EDUCATION

Sri Lanka Institute of Information Technology (SLIIT)

Jan 2022- Jan 2026

Bachelor of Science in Information Technology | Expected Graduation: 2026

Relevant Coursework : Human Computer Interaction(HCI), Mobile Application Development, Software Engineering, Project Management, Data Analytics

Mahanama national Collage, Monaragala

Feb 2007 - Dec 2020

GCE A/L & GCE O/L

Association of Accounting Technicians (AAT)

December 2020

Past Finalist

PROJECTS

Nenasala.lk Website Redesign

June 2025

UI/UX Case Study | [Figma](#), [Notion](#), User Research, [FigJam Brainstorming](#)

- Conducted user research and usability analysis using Motion to identify pain points in the existing Nenasala website.
- Designed a modern, responsive interface in Figma with a focus on accessibility and simplicity.
- Created wireframes, prototypes, and interactive mockups to visualize improved user flows.
- Enhanced overall navigation and readability, aligning design with community-focused objectives

Kapruka E-Commerce Redesign

September 2025 (Ongoing)

UI/UX Case Study | [Figma](#), FigJam, [User Research](#)

- Conducted heuristic evaluation and user research to identify pain points in Kapruka's shopping and checkout experience.
- Designed a modern interface in Figma to streamline navigation and product discovery.
- Developed a mood board and style guide in FigJam to align with Kapruka's branding and visual identity.
- Delivered high-fidelity mockups and interactive prototypes, improving usability and overall customer experience.

Role: On-Demand Veterinary Teleconsultation Platform

Technologies: Flutter, Flask, SpaCy, WebRTC

- Contributed to the stock management module for anatomy instruments, ensuring accurate inventory tracking and efficient lab resource allocation.
- Built a responsive frontend in React + Material UI and integrated with a Spring Boot + MongoDB backend via REST APIs.

Lab Management System - ([Frontend](#) , [Backend](#))

feb 2024 - june 2022

Role: Stock Management System

Technologies: React, Tailwind CSS, Material UI, Spring Boot, MongoDB

- Developed a lab management system with modules for test scheduling, results tracking, and user management.
- Designed a responsive UI using React, Tailwind, and Material UI for an intuitive workflow.
- Implemented a Spring Boot backend with MongoDB to ensure scalable and secure data handling.

PROFFESIONAL CETIFICATIONS

- Figma UI/UX Design Essencial - Udemy
- Professional Certificate in Web Development – IIT
- Full-Stack Development Course – University of Moratuwa
- AI/ML Course – Sri Lanka Institute of Information Technology (SLIIT)
- GitHub Project Management and Collaboration -
- LinkedIn Learning Business Analyst Fundamentals -
- SimpleLearn Jira fundamentals- SimpleLearn

SOFT SKILLS

- **Creativity & Innovation** – designing intuitive solutions with fresh perspectives
- **Empathy in Design** – understanding user needs and crafting human-centered experiences
- **Communication & Storytelling** – explaining design decisions clearly to teams and stakeholders
- **Collaboration & Teamwork** – working effectively in cross-functional teams (designers, developers, product owners)
- **Problem-Solving & Critical Thinking** – analyzing pain points and delivering practical solutions
- **Adaptability & Continuous Learning** – quickly learning new tools, frameworks, and methodologies

EXTRA-CURRICULAR ACTIVITIES

- Member of Leo Club of SLIIT
- Member of Rotaract Club of SLIIT
